

COVID SCREENING CHECKLIST

Please refrain from entering the nursery if you are experiencing any of the following symptoms:

- Fever (100.0 or greater)
- Chills
- Shortness of Breath
- Difficulty Breathing
- Fatigue
- Muscle or Body Aches
- Headache
- Recent loss of taste and/or smell
- Sore Throat
- Congestion
- Nausea
- Vomiting
- Diarrhea
- Yellow or Green Mucus from eyes or nose

If you had contact with someone in the past 14 days, either direct contact or close contact, who had COVID or COVID like symptoms, please do not enter the nursery. Children need to be 72 hours fever free without use of medicinal means.

Each nursery volunteer is eager and equipped to best care for your child. We have implemented the following measures:

- A designated toy box for all soiled toys
- A designated linen box for blankets, crib sheets, and socks
- Social Distancing as functionally possible
- Each child given own cup for drinks and individual snacks
- Thermometer available in event a child develops a fever
- Hand sanitizer available in each room

Volunteers are encouraged to wear masks while serving, however, this is not mandated by the church.
